# Getting your licence is easy

Anyone can become a HGV / PCV driver. All that is required is that you're 18 or older and have a valid EU or UK Licence.

Our courses are designed to support candidates with special needs.

**1**

## Starter Pack

We help you complete all forms, organise your medical and get you up and running for your theory on day 1.

**2**

## Practical Training

When you pass your theory test (within 4 to 6 weeks) we will book your practical training and test at your nearest centre.

**3**

## Certificate of Professional competence (CPC)

You will learn to load/unload a vehicle safely. You will also cover first aid, drivers hours and everything you need to know to be a professional driver.

# Pass Protection
